## IX. YLK 10<sup>TH</sup> ANNIVERSARY

2012 ended with a big birthday party for YLK on 1.12.12012. It was 10 years ago when Bro Albinus and some former students of St Joseph's and Sacred Heart formed YLK.

At the beginning of the celebration, the Chairman, Mr. Peter Yap delivered his welcoming address to 200 well-wishers, donors, parents and YLK students. The Advisor, Datuk Christopher Sim shared with those present the challenges and difficulties they faced when YLK first started. The Guest of Honour also the advisor, Brother Albinus was invited to give his speech. He shared how YLK was set up to continue the mission and legacy of St. John Baptist de La Salle to provide education for the poor.

During the celebration, awards were presented to students who performed well and a gift was also given to a teacher, Mary Clement as the longest serving staff member. Guests were treated to traditional and modern dances, instrumental music, singing and story telling from YLK students.

The Foundation has helped over 1,200 students who are underprivileged and having different learning abilities since its formation in 2002. Presently, some of the former students are receiving tertiary education in various colleges and universities.

## X. APPRAISAL OF EDUCATION PROGRAMME

On the whole, the La Salle Centres have succeeded helping the students to progress in their studies. The centre in Stutong has improved greatly in its new location. Its improved attendance, discipline and learning environment has contributed to the better performance of the students.

The Sarawak Lasallian Education Council ("SARLEC") has funded the extension of the roof for the centre in Kampung Stass. YLK Office will help to source fund to complete St. John's Hall at Singai. The Church Council is allocating 2-4 rooms for La Salle Centre, Singai. By then the students there will have a more conducive learning environment. ECM Libra Foundation contributed RM 30,000 to build up a mini library and enable students to learn through computer programmes at La Salle Centre, BDC.

In the course of the year, the office has conducted 3 training sessions for the teaching staff. Experienced teachers were invited to share their knowledge and skill with them.

## XI. CONSTRUCTION OF NEW CENTRE

ECM Libra Foundation donated RM30,000 to construct a new centre in Skibang. Two containers with a metal roof will be deployed to build the new centre on a communal site allocated by the Council of Kampung Skibang. The project was scheduled to be completed in March 2013. SARLEC will be funding three units of air-conditioners for the building.

## **XII. FINANCE**

The continuous support of ECM Libra Foundation, KTS Group, Sarawak Foundation, Gladioli Enterprises Sdn Bhd, Zydewood Holdings Sdn Bhd and a good number of old boys of Sacred Heart School, St. Joseph's Secondary School, and other benefactors, enabled YLK to reach out to more children who need help in their studies.

## **XIII. AUDITED ACCOUNT**

The audited account for the year ended 31st December, 2012 is attached hereto as Appendix A.

## **XIV. APPRECIATION**

YLK once again puts on record its appreciation to all benefactors for their financial contribution and moral support. Of course, the unwavering support from the supervisors and the teaching staff is highly appreciated. They play an important role in the on-going formation of all students who come to our centres.
