

Yayasan LaSallian Kuching

January 2014

Dear Members of the LaSallian Family,

Greetings and a happy new year to you all.

First I would like to thank all who had contributed to our cause in 2013 in one way or another. Without your generosity, the children in our centres would not have been able to benefit from the tuition/learning programmes. As it is, we are pleased to announce that last year's UPSR results had once again shown an overall improvement in all the three subjects taught in our centres, a tribute not only to both teachers and students alike but to all whose financial contributions and moral support have made this possible.

Last year also marked the passing of our beloved Brother Albinus. As difficult a time as it was for all of us, it was heart-warming to see the La Sallian Family coming together in shared grief. We, at YLK were greatly encouraged by your love and support at that difficult and challenging time when questions about the future of YLK were surely on a lot of minds.

However, rest assured that YLK is here to continue the legacy of our beloved Br Albinus who, despite his passing, continues to be our guiding spirit. How happy he would have been to see the continued support given to YLK!

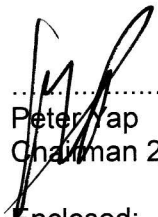

Indeed, we couldn't have been more proud to announce that a 9th centre will start operation at Kampung Entubuh near Tebedu in 2014. Our heartfelt thanks to all who made that possible and to the Headmaster and teachers who subscribe to educating the least, the last and the lost.

More updates on the activities of our centres can be found in Stars of Tomorrow #5 as well as on **YouTube** (<https://www.youtube.com/user/yayasanlasalliankch>)
