

# Educating the Least, the Lost and the Last; Irrespective of Race, Creed or Religion.

**Yayasan  
LaSallian  
Kuching**

Yayasan LaSallian Kuching (YLK) is a charitable organisation established by some former students of St. Joseph's Secondary School, Kuching and Sacred Heart Secondary School, Sibuh in 2002.

Founded at the initiative of the late Bro. Albinus, a former principal of St. Joseph's School and Sacred Heart School, YLK was approved by the Registrar of Societies, Malaysia as a non-profit organisation on 10 January 2004 with the registration number 49-03-15.

YLK upholds the philosophy of the Brothers of the Christian Schools founded by St John Baptist De La Salle of providing education to "the least, the lost and the last".

St John Baptist De La Salle dedicated his life to educate the poor and disadvantaged; changing their lives for the better and preparing them for career training.

## Our Programmes...

Tuition Programmes focus on Primary Five and Primary Six students and aim to help students prepare the Primary Six national examinations, UPSR. Students are given tuition in English, Mathematics and Science to strengthen their foundation.

Learning Programmes aim to enable children with different learning abilities to catch up with normal classes.

Holistic Education... Learning About Working with Nature

The late Br Albinus was passionate about providing education to the least, the lost and the last; irrespective of race, creed or religion. He also advocated holistic education and believed that teachers played an important role to help the children "to find their element to be seen at their best."

## Our Centres...
