

1<sup>st</sup> February 2017

Dear Members of the LaSallian Family,

2016 marked the 15<sup>th</sup> year of the formation of Yayasan Lasallian Kuching. Your generous and unceasing supports have empowered YLK to move on thus far. A big thank you to all of you.

As a whole, our students were doing well in their UPSR 2016. The Education Ministry has implemented its new examination format for UPSR 2016. Although at national level, many students struggled with the new examination format and performed poorly, our centre managed to help 61.8%, 62.5%, 54.3% and 91.7% of Grade E student in English 1, English 2, Mathematics and Science respectively to obtain at least a minimum pass.

Beside financial resources, recently the committee is seeking other forms of help for the rural needy students to develop their potential to the fullest. The new areas we are focusing on are manpower, scholarship, leadership training course, job opportunity exposure. In 2016, two Primary Six students from Stutong Centre and one from Singai Centre received scholarships (Form One to Form Five) provided by St. Joseph's Private School annually. We thank its School Board for the yearly scholarship. Seven selected ex-students were sponsored by the organiser to attend the SPARK Leadership Camp 2016 at EPSOM College K.L. It is a project initiated and collaborated by ECM Libra Foundation, Leaderonomics and EPSOM College. We welcome anyone who would like to extend a helping hand in this area, particularly in contributing to the scholarship fund for the rural students to further their studies in the course of their choice.

Since last year, we are also providing English Tuition for Working Adults every Tuesday and Thursday night. We hope that this will help some marginal workers in their job advancement. Another new tuition centre, the 10<sup>th</sup> centre, is established in Kampung Bunan. It has started its operation in January 2017.

Thank you again for your faithful support since the first day of YLK existence. We look forward to your continual support in whatever ways you can.
