

# Yayasan LaSallian Kuching

July 2012

Dear friends,

I am writing to support what Peter and his Committee are doing for YLK. I can tell you the organisation is on a strong footing and has encouraging plans to promote education among the Lost, The Last and the Least. These children are often forgotten as the focus in school very often is on those who can score "A's".

The YLK has plans to eventually train these children under our care in skills that will prove useful when they enter the world of work. And then possibly a hostel to train them in character building and social relations. But all this will have to wait till the YLK is financially strong and robust.

In the meantime I add my voice to Peter's and that of the Committee to keep us in mind when you can donate. And please remember your contribution, no matter how small will be warmly received.

Yours in LaSalle,

.....
